JEDA SURFBOARDS

MODEL TUNCO FISH

HIGH-PERFORMANCE HYBRID FISH

DECK / PROFILE / BOTTOM - 3D BOARD VIEWS

TUNCO Fish

Meet the TUNCO Fish, a compact, high-performance hybrid built for easy paddling, natural speed and playful everyday surfing. Its fuller forward outline carries useful flotation, while the refined tail and responsive rails keep turns lively and controlled. From smaller beach breaks to clean points, it is designed for more waves and more fun.
