

Hybrid Shortboard

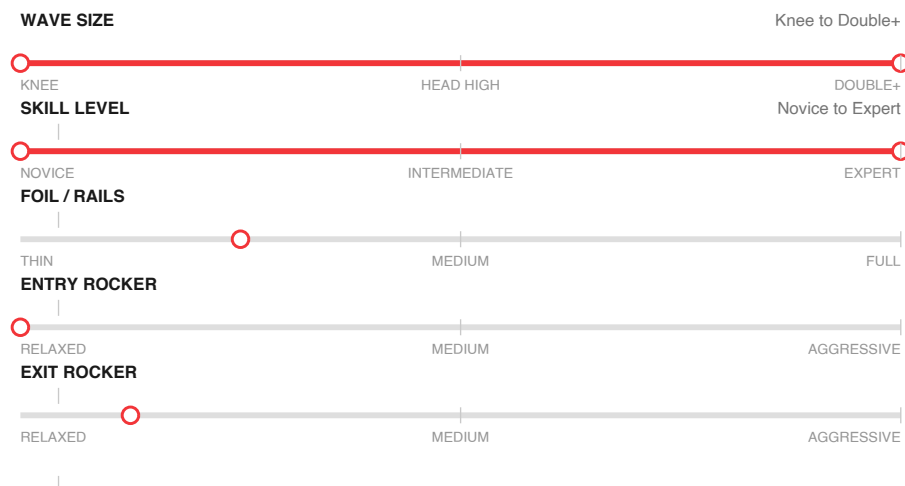

El Chuchó is a versatile hybrid shortboard built for easy paddling, quick speed, and dependable control across a wide range of conditions. Its fuller, wave-catching outline keeps it fast through softer sections while the responsive foil and rocker provide hold when the wave face gets steeper and more powerful.

MODEL SPECS

WAVE RANGE
Knee to Double+
ROCKER
Relaxed entry / low-medium exit
SIZING
1-2 in. shorter for experienced surfers

FIN SETUP
