

EL TUNCO

Everyday Performance Shortboard

El Tunco is an everyday performance shortboard designed for the conditions surfers encounter most often. Fast, responsive, and easy to generate speed on, it blends performance shortboard sensitivity with the extra paddle power and planing ability needed when the waves are not quite firing. A slightly more compact rail line and curvier outline keep the board lively through turns while reduced entry and exit rocker improve paddling, acceleration, and flow through softer sections.

MODEL SPECS

BOTTOM CONTOURS

Single -> generous double through fins

ROCKER

Reduced entry / reduced exit

SIZING

Everyday performance shortboard

FIN SETUP

Thruster / 3-fin

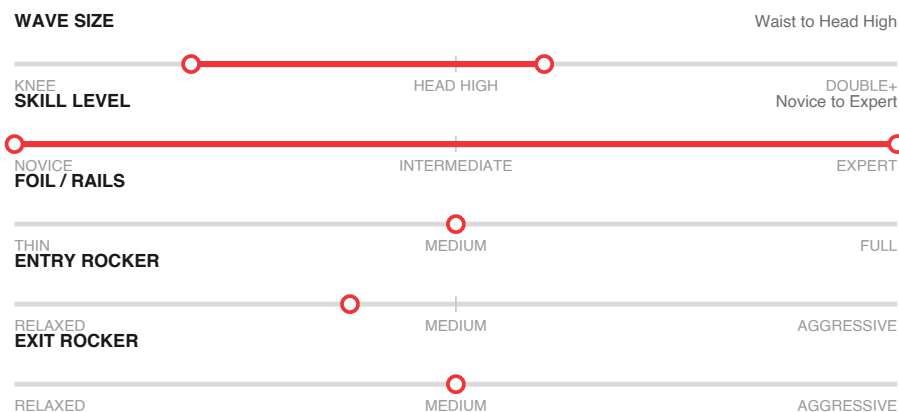

RAILS / TAIL

Refined rails / responsive tail

BEST CONDITIONS

Waist to head high / everyday surf

PERFORMANCE PROFILE

DECK / BOTTOM / PROFILE - source render reproduced proportionally; no non-proportional scaling

STOCK DIMENSIONS

El Tunco - Everyday Performance Shortboard

LENGTH	WIDTH	THICKNESS	VOLUME
5'4"	18 1/4"	2 1/8"	22.4 L
5'5"	18 1/2"	2 3/16"	23.7 L
5'6"	18 3/4"	2 1/4"	25.1 L
