JEDA MIDLENGTH

Modern Classic Performance

The JEDA Midlength blends classic egg-inspired glide with modern carving performance. Forward volume and a relaxed entry rocker deliver easy paddling and early wave entry, while refined rails, a double-barrel concave and 2+1 fins keep turns smooth, precise and controlled.

MODEL SPECS

BOTTOM CONTOURS
Double-barrel concave

FIN SETUP
2+1 / adjustable center fin

ROCKER
Low entry / responsive tail

RAILS / FOIL
Medium / refined tail edges

SIZING

SHAPE & ROCKER DETAILS

Low entry rocker, double-barrel concave, refined rails and 2+1 fin configuration.

BOTTOM / CONCAVES

Double-barrel concave supports speed, lift and smooth rail-to-rail flow.

ROCKER / RAIL PROFILE

Low entry rocker helps wave entry; refined rails promote carving and control.
